Construction

In November, we hosted a groundbreaking ceremony, cleared the site, and are ready to start the construction of the new building itself. In addition, we are nearing the completion of the new roof of Founder's Hall, with its completion expected during winter break.

Lagrange Parade

Coach Kelley Klinger and our Cheer team built our float this year for the Lagrange City Parade. Their theme was "Lighting Up Minds for a Sweet Future". Our float was decorated to resemble that of Christmas presents under the Christmas tree.

Message from Head of School

Dear LaGrange Academy Family,

I want to express my gratitude to all those who have played a role in bringing LaGrange Academy to this point in our history. With the construction of our new academic building, we enter a new era of excellence at LaGrange Academy. An era where our facilities will now match the quality of education we provide.

Sincerely,
John M. Mehaffey, Ph.D.

December 16, 2023

In September, LaGrange Academy was named by the AP College Board to the AP School Honor Roll. We have been given the distinction of Platinum, their highest honor, in Troup County and the surrounding areas LaGrange Academy serves. LaGrange Academy was the only public or independent school to achieve above a Silver Distinction.

We are excited to announce that we have completed the bid process and chose Torrance Construction Company as our General Contractor. They have completed over 250 school projects in the Troup County area over the last 40+ years. They quickly began the construction process, removing the Caldwell Harman Administrative House. In addition, as part of a separate initiative, we will soon start the installation of a new roof on Founders Hall. To donate to the capital campaign, follow the QR code above or visit <https://bit.ly/LAContribute>. You may also visit the same link or QR code to pledge; under the donation schedule, change the selection from one-time to monthly.
