

THE PATH FORWARD

A CAPITAL CAMPAIGN FOR LAGRANGE ACADEMY

Capital Campaign Update

Dear LaGrange Academy Community:

We are excited to report that the construction of our new academic building is running ahead of schedule. Site work was completed in January, the slab was poured, and basic utility work was completed in February, and the steel structure is now progressing rapidly.

In addition to work on the new building, Founder's Hall has received a new roof and HVAC system. Next steps include a new roof and HVAC for the Commons kitchen and the construction of the colonnade that will connect our buildings and provide shelter for student pick-up and drop-off.

This is an exciting time in our school's history. LaGrange Academy's stakeholders are coming together to invest in the education of current and future generations.

Thanks to the Callaway Foundation's generosity, all gifts to the Capital Campaign are currently being matched 100%. This is a golden opportunity to double the impact of your support for LaGrange Academy. Every gift is meaningful and appreciated.

If you have not yet contributed to the Capital Campaign, please consider joining those who will be remembered along with the founders of LaGrange Academy for their foresight, generosity, and commitment to providing the best possible education for the children of our community.
