## Newly Renovated Science Lab Dedicated

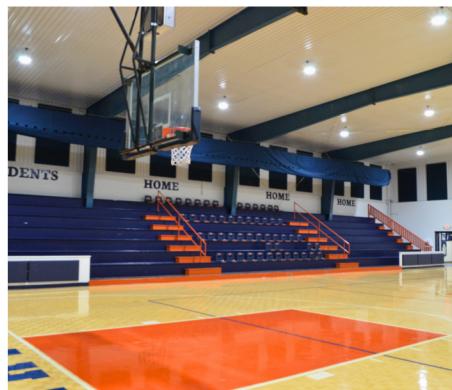

This Fall, LaGrange Academy proudly dedicated the newly renovated Ingram Science Laboratory, a space designed to inspire curiosity and hands-on discovery. The upgraded lab provides students with a modern environment that elevates both learning and exploration.

## Gym Renovation Complete

Our Gymnasium renovation began in May of 2025, with the installation of new HVAC systems, wall panels, and sound panels. Its renovation is now complete. We are excited for our students and community to fill our gym this school year.

## ***Message from Head of School***

LaGrange Academy,

As we enter the winter season, I'm energized by the momentum building across campus. The completion of our gymnasium and the newly renovated Ingram Science Lab marks an important milestone for our school. These upgraded spaces enhance daily learning for our students and reflect our commitment to creating an environment where every learner can thrive.

This year has already brought meaningful growth in academics, arts, athletics, and community life. Our students are exploring more, achieving more, and forming connections that strengthen our school at every level. With renewed facilities and a community united in purpose, our momentum continues to move us forward in exciting ways.

Sincerely,

John M. Mehaffey, Ph.D.  
Head of School

## Volleyball Season Success

This year, our volleyball team continued its incredible momentum under Coach Scott Lewis. With an overall record of 15-10, our Warriors earned back-to-back region championships and their first-ever region title in program history last season. Their hard work carried them even further as they advanced to the semi-finals of the GIAA State Championship Tournament for the first time in program history.

## History Made - 1,000<sup>th</sup> Assist

On August 22nd, at home against Oak Mountain, Cameron Petite recorded her 1,000th career assist, earning her place in the LaGrange Academy 1000 Club. The night ended dramatically as the Warriors defeated Oak Mountain in a five-set thriller. Congratulations, Cameron!

## nickelodeon THE SPONGEBOB MUSICAL. YOUTH EDITION

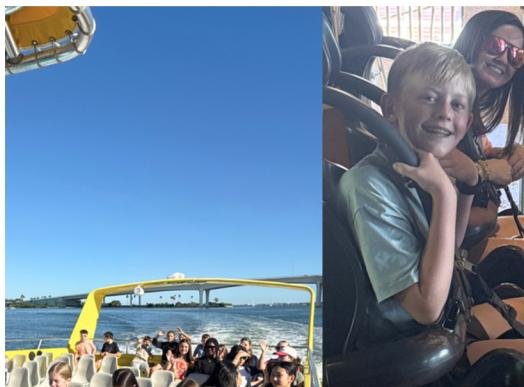

Get ready to dive into Bikini Bottom this spring as our students bring everyone's favorite sponge to life with music, laughter, and plenty of heart.

Rehearsals are already underway, and our cast has been working hard since the start of the 25-26 academic year. We cannot wait to share this colorful undersea adventure with our school community in spring 2026.

## Middle School Trip and Retreat

This year, our middle school students enjoyed two exciting off-campus trips. They started the year ziplining in Columbus, then traveled to Tampa in October for a fun-filled experience that included Busch Gardens, swimming with manatees, visiting the marine museum, and a speedboat ride with dolphin sightings.

## Upper School San Francisco Trip

Our upper school students took two off-campus trips this year. The first was an adventure to North Georgia, where they spent the day ziplining and white water rafting.

In October, they traveled to San Francisco, where they visited the Golden Gate Bridge, toured Alcatraz, Yosemite National Park, explored Intel, Apple, and Google, and spent time on the campus of Stanford University.

## Ingram Science Laboratory

The LaGrange Academy board, faculty, students, alumni, family, and friends celebrated Mrs. Ingram's service, mentorship, and the impact she has had on students' lives. Senior and SGA president Martin Zachry shared memories and returned a project from her class as a gift. Mrs. Ingram thanked everyone and shared how much the LaGrange Academy community means to her.

From all of us at LaGrange Academy, thank you, Mrs. Ingram, for your years of dedication and the lasting difference you make.

## LaGrange Academy's Annual Fundraiser

March, 7th 2026

Register at : <https://bit.ly/LGA-Gala>

GA  
LA

The Annual Fund is essential to our school's success as it provides us with the resources we need to maintain our high standards of academic excellence and the best possible educational experience. Your donation will help support our academic programs and extracurricular activities, including athletics, arts, and clubs. In addition, we can maintain and update our facilities to ensure students are in an environment that promotes strong academic success. Every gift, no matter the size, makes a difference. Please consider donating to the Annual Fund today.
