

LAGRANGE ACADEMY

ANNUAL FUND 2017-2018

WHAT IS THE ANNUAL FUND?

At LaGrange Academy, we believe every child holds a unique promise and brings something to the world that no one else can. We strive to set our tuition at levels that make our school an affordable option for the greatest number of families possible. Our tuition funds most of the basic operations of the school. However, we depend on gifts to the Annual Fund to help us accomplish much more than the basics. We need your help to fund growth in programs, offerings, and opportunities that will equip our students to eagerly re-shape the world for the better. Please consider participating in the LaGrange Academy Annual Fund and leave your imprint on the future of our students. Every gift is important and appreciated.
